Have you seen a Chiropractor before? Y N Who?_____When:_____

Why chiropractic? People go to Chiropractors for a variety of reasons. Some go for symptomatic relief of pain and discomfort (Relief Care). Others are interested in having the cause of the problem as well as the symptoms corrected and relieved to avoid further relapses (Corrective Care). Still others want whatever is malfunctioning in their bodies brought to the highest state of health possible in order to optimize their physical and emotional well-being (Comprehensive Care). Peery Family Chiropractic offers some of the latest procedures for optimizing your nervous system.

Peery Family Chiropractic stresses that it is always YOUR CHOICE to choose which care you desire. We will honor and support your choice and your Doctor will weigh your needs and desires when recommending your treatment program. Please check the type of care you wish to receive.

Relief__ Corrective Care__ Comprehensive Care__ Would like to discuss options w/ doctor_____

I understand and agree that health insurance policies are an arrangement between an insurance carrier and myself. The practitioner at Peery Family Chiropractic does not participate in all HMO/PPO organizations. I understand that the Doctor's office will prepare any necessary forms to assist me in making collection from the insurance company. However, I clearly understand that all services rendered to me are my personal responsibility and any services which are not covered by insurance are my financial obligations.
